HOW TO CALCULATE PERMIT FEES FOR RESIDENTIAL PROPERTIES

Residential Building, Electrical, Plumbing, Mechanical and Sprinkler Permit fees are calculated as follows:

\$35.00 for every \$1,000.00 of the estimated cost of the work or fraction thereof. (copy of contract required)

< \$1,000.00 = \$35.00

\$1,001.00 – 2,000.00 = \$70.00

\$2,001.00 – 3,000.00 = \$105.00

\$3,001.00 - \$4,000.00 = \$140.00

Also, Commonwealth of Pennsylvania Surcharge of \$4.00 per permit to be added to permit fees.

Fence Permits – As calculated above WITHOUT \$4.00 Surcharge fee.

Grading Permits – Flat fee of \$100.00 WITHOUT \$4.00 Surcharge fee.

Storm Water Management – Flat fee of \$350.00** WITHOUT \$4.00 Surcharge fee.

Swimming Pool Permits:

In ground – fees calculated same as building permits above. Application for in-ground pool must include Grading Permit, Storm Water Management Permit, Electrical Permit, and Fence Permit.

Above Ground - \$20.00 for first \$500.00 of estimated cost of work and \$15.00 for each additional \$500.00. Application for Above Ground Pool must include, Grading Permit, Storm Water Management Permit, Electrical Permit and Fence Permit.

Use Certificates (Resale of Residential Properties) \$75.00 This includes initial inspection and 1 follow-up inspection and issuance of certificate. If settlement is within 15 days of FIRST inspection, and additional \$100.00 Rush fee is required. If more than the 2 inspections are required, and additional \$25.00 per inspection is required.

** Additional fees may be required by the engineer depending on the type of improvement

This is not a complete list. If there are any questions, please contact the Licenses and Inspections Department for clarification.
